No.	Document No.	Title	Date of introduced	Status
1	GOST R EN 15733-2013	Services of estate agents. Requirements to provide services estate agents	01.01.2015	adopted
2	GOST R EN 40-7-2013	Lighting poles made of polymer composite materials, fiber-reinforced. Technical requirements	01/09/2014	acting
3	GOST R EN 237-2008	Liquid petroleum products. Determination of low concentrations of lead by atomic absorption spectrometry	01.01.2009	acting
4	GOST R EN 257-2004	Thermostats (thermoregulators) for gas appliances Mechanical. General technical requirements and test methods	01.01.2005	canceled
5	GOST R EN 308-2011	Heat exchangers. Test methods for determining the criteria for power plants heat recovery from the mixture of air / air and air / exhaust gas	01.01.2013	acting
6	GOST R EN 340-2010	Occupational safety standards system. Protective overalls. General specifications	01-01-2012	canceled
7	GOST R EN 341-2010	Occupational safety standards system. Personal protective equipment against falls from a height. Devices for the descent. General technical requirements. Test methods	01-01-2012	acting
8	GOST R EN 353-1-2008	Stroud safety standards system. Personal protective equipment against falls from a height. Fall protection type slide on a rigid anchor line. Part 1: General requirements. Test methods	01.07.2009	acting
9	GOST R EN 353-2-2007	Occupational safety standards system. Personal protective equipment against falls from a height of slide-type on a flexible anchor line. Part 2: General requirements. Test methods	01.07.2008	acting
10	GOST R EN 354-2010	Occupational safety standards system. Personal protective equipment against falls from a height. Slings. General technical requirements. Test methods	01-01-2012	acting
11	GOST R EN 355-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Shock absorbers. General technical requirements. Test methods	01.07.2009	acting
12	GOST R EN 358-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Harnesses and straps for holding and positioning. General technical requirements. Test methods	01.07.2009	acting
13	GOST R EN 360-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Remedies retractor type. General technical requirements. Test methods	01.07.2009	acting
14	GOST R EN 361-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Harnesses. General technical requirements. Test methods	01.07.2009	acting
15	GOST R EN 362-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Fasteners. General technical requirements. Test methods	01.07.2009	acting
16	GOST R EN 363-2007	Occupational safety standards system. Personal protective equipment against falls from a height. Harnesses. General specifications	01.07.2008	acting
17	GOST R EN 365-2010	Occupational safety standards system. Personal protective equipment against falls from a height. Basic requirements for instructions for use, maintenance, periodic inspection, repair, marking and packaging	01-01-2012	acting
18	GOST R EN 374-2009	Occupational safety standards system. Personal protective hands. Gloves that protect against chemicals and micro-organisms. General technical requirements. Test methods	01.12.2010	acting

19	GOST R EN 379-2011	Occupational safety standards system. Personal eye and face protection during welding and allied processes. Automatic welding filters. General specifications	01.12.2012	acting
20	GOST R EN 381-1-2012	Occupational safety standards system. Clothing for protection from exposure to hand-cutting chainsaw. Part 1: Setting for testing resistance to cutting chainsaw	01/12/2013	acting
21	GOST R EN 388-2009	Occupational safety standards system. Personal protective hands. Protective gloves against mechanical impacts. Technical requirements. Test methods	01.12.2010	canceled
22	GOST R EN 397 / A1-2010	Occupational safety standards system. Personal protective equipment against falls from a height. Protective helmets. General technical requirements. Test methods	01-01-2012	canceled
23	GOST R EN 407-2009	Occupational safety standards system. Personal protective hands. Gloves for protection against high temperatures and fire. Technical requirements. Test methods	01.12.2010	canceled
24	GOST R EN 414-2002	Safety of machinery. Rules for the development and execution of safety standards	01.07.2003	acting
25	GOST R EN 464-2007	Occupational safety standards system. Protective clothing for protection against liquid and gaseous chemicals, including solid and liquid aerosols. Method for determination of gas-tight suits tightness	01.07.2008	acting
26	GOST R EN 482-2012	Workplace air. General performance requirements for methods of measurement of chemicals	01/12/2013	acting
27	GOST R EN 511-2010	Occupational safety standards system. Personal protective hands. Protective gloves against cold. General technical requirements. Test methods	01-01-2012	canceled
28	GOST R EN 547-1-2008	Safety of machinery. The dimensions of the human body. Part 1: Principles for determining the size of the openings, providing full access to the human machine	01.01.2010	acting
29	GOST R EN 547-2-2009	Safety of machinery. The dimensions of the human body. Part 2: Principles for determining the dimensions of access openings to the human machine (machine parts) parts of the body	01-01-2011	acting
30	GOST R EN 547-3-2009	Safety of machinery. The dimensions of the human body. Part 3: Anthropometric data	01-01-2011	acting
31	GOST R EN 556-1-2009	Sterilization of health care products. Requirements for medical devices classified as "sterile". Part 1: Requirements for medical devices subject to terminally sterilized	01-01-2011	canceled
32	GOST R EN 592-2010	Instructions for use of tools for in vitro diagnosis for self-testing	01.03.2012	acting
33	GOST R EN 614-1-2003	Safety of machinery. Ergonomic design principles. Part 1. Terms, Definitions and General Principles	01.01.2005	acting
34	GOST R EN 779-2007	Air filters for general use. Determination of filtration efficiency	01.10.2008	acting
35	GOST R EN 813-2008	Occupational safety standards system. Personal protective equipment against falls from a height. Leash for the sitting position. General technical requirements. Test methods	01.07.2009	acting
36	GOST R EN 818-1-2005	The chains of round steel short links for lifting. Security. Part 1: General requirements for acceptance	01.01.2007	canceled
37	GOST R EN 818-2-2005	The chains of round steel short links for lifting. Security. Part 2: Chain steel normal accuracy for stropalnyh chains Class 8	01.01.2007	canceled
38	GOST R EN 818-3-2005	The chains of round steel short links for lifting. Security. Part 3: Steel chains normal accuracy for stropalnyh chains Class 4	01.01.2007	canceled
39	GOST R EN 818-4-2005	The chains of round steel short links for lifting. Security. Part 4. Stropalnye chains Class 8	01.01.2007	canceled
40	GOST R EN 818-5-2005	The chains of round steel short links for lifting. Security. Part 5 Stropalnye chain Class 4	01.01.2007	canceled
